

Laura & Al

*This anniversary gift from Sue and Jim
is a hot glass workshop for you to each create both
a solid form and then a blown piece out of molten glass.*

Call or text Robert Fritz with any questions and to schedule a date for the workshop.
(630-945-2813) Feel free to bring a friend or two to assist and/or shoot photos.

Plan to wear layers of clothing consisting of natural materials— cotton, silk, wool...
(50/50 blend is fine)... nothing 100% synthetic such as 100% nylon or polyester.
I recommend wearing jeans and a long sleeve shirt.

Expires 8-2023
